

# Brush Buster Kennels

---

## Eye and Hip Dysplasia Guarantee

The eyes are guaranteed to be certifiable free and clear of congenital problems. Diagnosis must be made by a Certified Veterinary Ophthalmologist before 26 months of age.

The dog is guaranteed to be O.F.A. certifiable (at least fair or better) at 2 years of age. X-rays must be taken by a Board Certified Veterinarian before 26 months of age. In the unlikely event of unsoundness it will be replaced with a dog of equal value and breeding.

Provided That:

1. Our Kennel name (Brush Buster) is included somewhere in your dog's registered name.
2. The dog is x-rayed by a competent vet and evaluated by O.F.A. between the ages of 6 and 26 months of age.
3. The results of such x-rays must be reported to Brush Buster Kennels immediately along with copies of the x-ray and O.F.A written report to be submitted to our Vet for verification.
4. The dog must be spayed or neutered and his/her registration papers be transferred back to us. This copy of the guarantee must also accompany the dog.
5. O.F.A. shall be the sole judge regarding hip dysplasia. Hips must be rejected by O.F.A.
6. Cerf shall be the sole judge of hereditary eye problems. Eyes must be rejected by Cerf.
7. Dog must not be used for breeding until x-rayed and approved by O.F.A. and Cerf. If dog has sired or whelped a litter, the guarantee is voided.
8. This guarantee must be in the original owner's name, and is non-transferable to new owners if the dog is sold.
